

Marriage and Family Therapy M.A.

Academic Roadmap to Completion (ARC) for Catalog Year 2025-2026

The catalog is the final authority on program requirements; this is intended as a registration and planning tool. Due to the cohort model of the Marriage and Family Therapy MA, this course sequence is the default for all incoming students. If a student has transfer credits or an alternate timeline, that individual must work with the Program Administrator and the Academic Advising Office to ensure all degree requirements are met in a timely fashion.
