

Total Program Hours:

- 34 graduate credits
- Up to 16 undergraduate prerequisite credits

Semesters to Completion: min. 3

General Master of Arts in Teaching (M.A.T.) Secondary (6-12) Math Certification

Academic Roadmap to Completion (ARC) for Catalog Year 2025-2026

The catalog is the final authority on program requirements; this is intended as a registration and planning tool. This course sequence is the recommended template. If a student has transfer credits or an alternate timeline, that individual must work with the Program and the Academic Advising Office to plan their schedule accordingly.

Notes

1. With the satisfactory completion of student teaching and the State of Illinois examinations, candidates can apply for State of Illinois teacher licensure.
2. If an educational project is not completed while taking EDUC 593 Educational Project, MAT students should continue to enroll in EDUC 599, Final Project Continuation in each subsequent semester (summer, fall, spring) until their project is completed and approved. A \$50.00 fee will be charged for each semester (summer, fall, spring) of Final Project Continuation. The project must be completed within five years of the first term as a fulltime graduate student (i.e. fall 2024 graduate course work beginners must fully complete the project by Aug. 31, 2029). *
