15. Jenni Freshman – Undeclared, 2025
16. Franklin Chang-Díaz – Physics, 2022

# Greg R. Mendel

greg.mendel@my.wheaton.edu | 201.822.1884 | linkedin.com/in/gregmendel

## EDUCATION

---

### Bachelor of Science in Biology

Anticipated May 2022

*Wheaton College, Wheaton, IL*

- GPA: 3.8/4.0
- Dean's List
- Presidential Scholarship: awarded due to merit and character

## RESEARCH EXPERIENCE

---

### Dermatology Intern

August 2021 – Present

*Northwestern Medical, Wheaton, IL*

- Shadowed five dermatologists to learn about basic dermatological procedures and patient care
- Collaborated with five other interns on hypothetical cases to understand different considerations for patient care, to offer potential diagnoses, and to determine appropriate procedures
- Assisted office staff with cleaning and prepping examination rooms to ensure cleanliness

### Stem Cell Research Assistant

May 2021 – August 2021

*Johns Hopkins University, Baltimore, MD*

- Conducted research at the Institute for Cell Engineering (ICE) within the Stem Cell Biology concentration
- Collaborated with three other interns to study stem cell modeling and gene and stem cell therapies, which helped inform new treatment strategies for several genetic diseases
- Researched gene and stem cell therapies that are used to treat ADA-SCID and presented findings to a group of 20 interns and 12 healthcare professionals at the end of the summer
- Co-authored a pre-published paper on the ADA-SCID gene and stem cell therapies to help inform medical professionals about next steps in ADA-SCID treatment, to be released November 2021

### Research Assistant

August 2019 – May 2021

*Wheaton College Biology Department, Wheaton, IL*

- Researched how exercise impacts brain functioning to provide data to healthcare professionals about benefits of exercise on daily functioning and cognitive functioning
- Conducted literature reviews for supervising professor which informed their published study
- Coordinated with volunteer participants for the study via email to schedule assessments; initiated phone conversations with additional potential participants to ensure the study could finish in a timely manner

## LEADERSHIP EXPERIENCE

---

### Youth Group Volunteer

August 2019 – Present

*Warrenville Bible Church, Warrenville, IL*

- Mentored 10 middle school boys in weekly small group meetings to foster community and friendship
- Coordinated and scheduled fun events designed to promote healthy competition and camaraderie

### Ranch Hand

April 2015 – June 2020

*W Ranch, Centerville, AR*

- Assisted the ranch manager by caring for horses; ensured guest safety and adherence to the ranch rules
- Reliably maintained stalls for 15 horses to promote health and overall well-being

## ADDITIONAL SKILLS

---

- Certified in CPR
- Multicultural skills from service trips to Albania and China
- Proficient in C++ and HTML

# Anne Sullivan

anne.sullivan@my.wheaton.edu | 141.866.1936 | linkedin.com/in/annesullivan

## EDUCATION

---

### Bachelor of Arts in Elementary Education

Anticipated May 2022

*Wheaton College, Wheaton, IL*

- GPA: 3.72/4.00
- Dean's List
- Related Course Work: The School & Society, Teaching Ethnically and Linguistically Diverse Students, Learning and Developmental Contexts of Education, Cross-Cultural Tutoring Practicum, and Teacher Aiding Practicum

**License & Endorsements:** IL Professional Educator License for Secondary Language Arts, Middle School endorsement

## EXPERIENCE

---

### Teacher Aide

January 2021 – Present

*Madison Elementary School, Wheaton, IL*

- Facilitate one-on-one interactions each week with 20 students to advance their reading ability
- Assist cooperating teacher in lessons, grading, and classroom management to provide a fun and secure atmosphere in which students can learn

### Sunday School Volunteer

September 2020 – Present

*St. Mark's Episcopal Church, Carol Stream, IL*

- Teach weekly Sunday School lessons to nine 5th-grade female students to promote engagement with the Bible
- Developed a new curriculum to teach biblical concepts; maintained an organized classroom schedule

### Writing Tutor

September 2019 – December 2020

*Brookfield High School Writing Center, Wheaton, IL*

- Assisted 20-25 high school students each week to strengthen their writing and grammatical skills, resulting in an increase of essay grades by 20% on average
- Edited student essays to check for grammatical errors and provided feedback on general content

### Lifeguard

June 2019 – August 2020

*Brookside Park District, Brookside, MA*

- Maintained safety of patrons in and around pool to ensure the health and wellbeing of all pool-users
- Supervised the children's area by monitoring the kiddie pool and playset
- Communicated any potentially dangerous elements of the facility to the Pool Manager, allowing the pool to maintain health code guidelines and be a safe and fun place for patrons to relax

### Childcare Provider

June 2019 – August 2019

*The Johnson Family, Brookside, MA*

- Cared for three children ages 2, 6, and 10 by engaging in fun activities to promote creativity
- Effectively managed conflicts and tantrums in a calm and patient manner to help model emotional regulation
- Managed light household chores to help the household function smoothly

### Barista

June 2017 – August 2018

*Starbucks, Brookside, MA*

- Crafted beverages for customers in a timely matter to ensure patron satisfaction
- Greeted customers in a professional and friendly manner to create a welcoming environment

## ADDITIONAL SKILLS

---

- Lifeguard Certification
- Multicultural skills from service trips to Costa Rica and Greece
- Certified in CPR

# Jonathan Gear

John.gear@my.wheaton.edu | 041.300.2021 | linkedin.com/in/johngear

## EDUCATION

---

**B.A. Liberal Arts Engineering**, *Wheaton College*, Wheaton, IL Anticipated May 2022

**B.S. Mechanical Engineering**, *Illinois Institute of Technology*, Chicago, IL Anticipated May 2024

- Tau Beta Pi (National Engineering Honors Society)
- GPA 3.69/4.00
- Passed EIT Exam January 2021 – Certification Pending

## TECHNICAL SKILLS

---

- **SolidWorks**: Design work focused on sheet metal and solid parts (1 yr workplace experience)
- **MetaCAM**: Generated G-code for laser and punching processes (1 yr workplace experience)
- **MATLAB**: Modeled and optimized physical systems (4 yrs academic experience)
- **Inventor**: Constructed solid parts for rapid prototyping (4 yrs academic experience)

## EXPERIENCE

---

**Engineering Intern** January 2020 – Present

*Radiators Inc.*, Oak Park, IL

- Tool entire radiator assemblies for production, allowing for an efficient system of production
- Establish tube bending tolerances through statistical analysis
- Support manufacturing process from quote and design to G-code production which allowed for the consistent and efficient programming of CNC machines

**Teaching Assistant** April 2017 – June 2020

*Wheaton College Physics Department*, Wheaton, IL

- Managed the operation of the observatory deck, instructed students in night sky observations, and controlled and maintained equipment operation
- Engaged over 400 people from the local community and student body during a lunar eclipse which allowed for learning and observation to occur
- Graded MATLAB and Thermal Physics homework for 75 students in three separate classes which provided individualized feedback to encourage deeper learnings

**Systems Application Intern** August 2018 – June 2019

*Engineers Without Borders*, Chicago, IL

- Researched international community development and communicated findings to full-time project managers; helped develop new project proposals for five international projects based on research
- Evaluated 10 domestic programs to understand which development guidelines were most effective

## PROJECTS

---

**Tube Bending Die Adapter** January 2019 – January 2020

- Developed a set of adapter blocks to accept dies from a dissimilar bending machine; ensured machinability and cost-effectiveness of new adapters by collaborating with machinists
- Developed prototypes to establish implementation procedure and confirm adapter geometry

**Internship Project: Robot Welding Jigs** June 2019 – May 2019

- Designed and produced a robust jig type for use at robotic welding stations
- Programmed a Panasonic welding robot to utilize welding jigs
- Saved an estimated 55% of welding time on high quantity engine mounting brackets

## ADDITIONAL SKILLS

---

- Violinist, Symphony Orchestra, Wheaton College January 2014 – May 2017
- Proficient in Swedish, verbal and written

# Mary Curie

mary.curie@my.wheaton.edu | 071.867.1934 | linkedin.com/in/marycurie

## EDUCATION

---

**B.S. Applied Health Science** *Wheaton College*, Wheaton, IL

Anticipated May 2022

*Wheaton College*, Wheaton, IL

- GPA: 3.6/4.0
- Dean's List

## EXPERIENCE

---

**Lab Assistant**

August 2020 – Present

*Applied Health Sciences Department, Wheaton College, Wheaton, IL*

- Perform fitness tests on 25 students, including flexibility and strength tests, evaluation of body composition and blood pressure, and anthropometric measurements
- Explain procedures and tests clearly to students and answer questions regarding the assessments
- Organize testing schedule to create a smooth testing process for students and faculty

**Varsity Athlete**

August 2019 – Present

*Wheaton College Track and Field, Wheaton, IL*

- Compete in the 400m and 800m and was selected to be a part of 2021 CCIW All Conference Team
- Chosen to be team captain for the 2021-22 season to lead underclassmen and encourage team unity
- Demonstrated discipline and time-management skills to balance training with academic responsibilities

**Pre-Health Intern**

May – July 2020

*Cleveland Clinic, Cleveland, OH*

- Participated in lectures and presentations in osteopathic medicine, dermatology, pediatrics, physical therapy, and physician assistant studies to gain a broader understanding of healthcare
- Conducted simulations with life-like medical mannequins to test casting, suturing, and surgery skills
- Shadowed five doctors and other health care provider in three local clinics with diverse populations to gain exposure to a variety of medical procedures and areas of care

**Library Assistant**

August 2020 – January 2021

*Buswell Memorial Library, Wheaton, IL*

- Exercised skill in performing conscientious, detail-oriented tasks, including cataloguing books, tracking loaned materials to ensure all library materials were organized, and responding to patron questions
- Completed data entries and labeled book spines with call numbers, allowing for books to be easily accessed

**Material Handler**

August 2019 – March 2020

*Buswell Memorial Library, Wheaton, IL*

- Checked in library materials by emptying bins, scanning, sanitizing, sorting, and arranging book trucks
- Assist patrons in direction/location information when out on the floor to provide strong customer service
- Trained new hires in library systems and procedures; responded to questions as needed

**Server**

May 2018 – July 2018

*Lily's Cafe, Rochester, NY*

- Provided excellent customer service by responding promptly and accurately to customer requests
- Collaborated with a team of 12 other servers to provide efficient and high-quality service to patrons
- Managed financial transactions, including credit and cash, in a professional and tactful manner

## ADDITIONAL SKILLS

---

- Fluent in Korean and English
- Multicultural skills from service trips to Costa Rica and living in South Korea

# Michelle Finance

michelle.finance@my.wheaton.edu | 100.200.3000 | linkedin.com/in/michellefinance

## EDUCATION

---

### B.A. in Business Economics, Minor in Psychology

Anticipated May 2022

Wheaton College, Wheaton, IL

- GPA: 3.65/4.00
- Relevant Coursework: Accounting, Business Law, Calculus, Finance, Intermediate Microeconomics, Macroeconomics, Management Marketing, Social Enterprise, Statistics, Intermediate Spanish, Abnormal Psychology, Social Psychology

## RELATED EXPERIENCE

---

### Wealth Management Analyst Intern

June 2021 – August 2021

Merrill Lynch, Remote

- Developed skills in corporate finance, financial accounting, spreadsheet modeling, strategy, marketing, managerial economics, and management communication
- Completed team-based valuation analysis of Price Right which entailed projecting future earnings, building DCF analysis; presented results to stakeholders from investment banks, consulting firms, and MBA faculty
- Won the Best Presentation Award for the team project, rising above eight groups

### Risk Management Intern

May 2020 – August 2020

Charles Schwab, New York, NY

- Performed risk management strategic analysis for high-profile foreign exchange currency pairs, oversaw data retrieval and analysis, informed managers of off-set trade risk pending results
- Offset trading leverage pre-Brexit and updated accounts accordingly to create an organized system

### Business Intern

May 2019 – November 2019

Jewel-Osco, Aurora, IL

- Implemented new inventory control system using a card system in collaboration with management
- Restructured warehouse layout to efficiently position material which decreased retrieval time by 20%

## LEADERSHIP EXPERIENCE

---

### Student Government Diversity Committee

August 2020 – Present

Wheaton College, Wheaton, IL

- Review proposals from various campus clubs to ensure they are within Wheaton's Constitution and Policies pertaining to diversity, equity, and inclusion; provided insight for updates as needed
- Collaborate with 10 students to discuss ways to make Wheaton a safe and supportive institution

### Student Government Tech and Finance Committee

August 2019 – May 2020

Wheaton College, Wheaton, IL

- Co-Founder and Content Creator for student-initiated product for Wheaton's student body government
- Participated in funding and setting 20 budgets for Wheaton College's student organizations to ensure each group had enough funds to function throughout the year

### Volunteer

November 2020

Feed My Starving Children, Wheaton, IL

- Distributed hot meals to 12 homeless families for Thanksgiving to provide comfort and support
- Conversated with the homeless to hear about their experiences and empathize with them

## SKILLS

---

- Conversational in Arabic
- SQL, R, MATLAB

# Joe Seefus

joseph.seefus@my.wheaton.edu | 370.100.2021 | linkedin.com/in/jseefus

## EDUCATION

---

### Bachelor of Arts in History

Anticipated May 2023

*Wheaton College, Wheaton, IL*

- GPA: 3.75/4.00
- Dean's List

## EXPERIENCE

---

### Museum Seminar Intern

August 2021 – Present

*Metropolitan Museum of Art, New York, NY*

- Lead bi-weekly tours for groups of 10-15 museum patrons to teach them about the features of the different galleries and significant works of art at the museum; responded to patron questions
- Collaborate with 3 other interns and 5 staff members on an exhibit proposal for an upcoming exhibit in 2022
- Participate in weekly intern trainings to learn advanced skills in museum curation and attend information sessions about graduate programs in art history and museum studies

### Teaching Assistant

January 2021 – May 2021

*History Department, Wheaton College, Wheaton, IL*

- Conducted 5 study sessions to assist students struggling with course material, increasing exam grades by 15%
- Graded 45 tests on average as well as weekly homework assignments to ensure students received timely feedback
- Communicated with the professor about issues and frequently asked questions that arose in the homework and exams, such as multiple students making common error or misinterpreting an exam question

### Marketing Intern

May 2020 – July 2020

*T-Mobile, Remote*

- Analyzed marketing objectives to help identify target audience and proposed marketing strategy based on findings
- Developed individualized marketing plan to create market niche for the company; marketing plan was adopted into standard operating procedures and increased overall customer engagement by 8%
- Redesigned database system to generate comprehensive, timely reports utilizing MS Excel, which helped cut the software budget by 10% to benefit the company during the COVID-19 pandemic

### Graphic Design Intern

August 2019 – March 2020

*Center for Vocation and Career, Wheaton, IL*

- Managed creative content design, editing, and maintenance of CVC marketing pieces; developed new graphics to support updated image of the CVC and implement new brand-standard visuals
- Met with CVC Event & Marketing Coordinator and Associate Director of Career Education to advise marketing strategies throughout the year to better connect with students

- Researched and compiled census data from 1910, 1920, 1930, and 1940 censuses to create census linkages for Econometric analysis and study; communicated trends to supervising professor
- Performed detailed web searches on historic censuses; entered relevant data into database to be analyzed

### Financial Services Intern

June 2019 – July 2019

*JP Financial Group, St. Charles, IL*

- Obtained licensing in Illinois to sell life and health insurance
- Analyzed financial situations for 12 clients and developed and presented viable financial solutions with purpose of helping them reach their goals in most efficient and sustainable manner

## ADDITIONAL SKILLS

---

- Conversational in Spanish
- Proficient in Adobe PhotoShop

# Z. Neal Hurston

neal.hurston@my.wheaton.edu | 000.111.2222 | linkedin.com/in/znhurston

## **EDUCATION**

---

### **B.A. in Anthropology**

Anticipated May 2023

*Wheaton College, Wheaton, IL*

- GPA: 3.62/4.00

### **Study Abroad, Middle East Studies Program**

Fall 2020

*Jerusalem, Israel*

- Completed research and coursework in history, politics, anthropology, and Arabic and Hebrew languages
- Attended lectures by and interacted with academics, journalists, top foreign diplomats, and U.S. Embassy officials

## **EXPERIENCE**

---

### **Donor Engagement Intern**

January 2021 – Present

*World Hope, Washington, DC (Remote)*

- Created and coordinated HIV/AIDS awareness and fundraising initiative with 15 constituent groups which allowed for a virtual fundraising event to occur and raise money for World Hope
- Coordinated pre-trip logistics for select donor trips to Egypt and Ethiopia for 30 people

### **Teaching Assistant**

August 2020 – Present

*Wheaton College Anthropology Department, Wheaton, IL*

- Conduct study sessions to assist students struggling with course material, improving exam grades by 15% on average and empowering students to master material
- Grade tests and homework assignments; provide personalized feedback on materials to allow students to understand the material and comments at a deeper level

### **Cross-Cultural Living Participant**

August 2020 – December 2020

*Palestine Summer Encounter, Bethlehem, West Bank*

- Interacted with Palestinian host-family, learning culture, language, and daily life in a conflict zone
- Organized personal international travel to Israel, Jordan, Syria, and Egypt to gain an understanding of the Middle East and distinctives of each country and political situation
- Interviewed human rights and peacemaking groups, both Israeli and Palestinian, on bi-weekly basis to investigate various facets and complexities of Israeli-Palestinian conflict

### **1:2:1 Program Mentor**

August 2019 – March 2020

*Office of Multicultural Development, Wheaton, IL*

- Mentored group of 7 multicultural first year students during their transition to Wheaton College to help with community formation and adjusting to life at college
- Planned and organized an annual banquet for 55 people which allowed for fellowship among all 1:2:1 program participants and fostered camaraderie among students and staff leaders

### **Waitress/Hostess**

June 2019 – July 2019

*Ziti Pasta Restaurant, New Rochelle, NY*

- Served an average of 40 customer tables per 8-hour shift, ensuring all patrons received their meals promptly and were happy with the service, food, and restaurant atmosphere
- Trained 6 new employees and participated actively in interviews with 10 candidates for waitstaff positions and was promoted to Hostess after just 2 months on the job

## **COMMUNITY INVOLVEMENT**

---

- Volunteer Tutor, World Relief DuPage County, 2020-2021
- Middle School Youth Leader, Wheaton Bible Church, 2019-2020

- Proficient in Arabic

# Johann S. Bach

johann.bach@my.wheaton.edu | 211.685.1750 | linkedin.com/in/johannbach

## EDUCATION

---

### Bachelor of Music in Music Performance - Flute

Anticipated May 2022

Wheaton College, Wheaton, IL

- GPA: 3.6/4.0
- Dean's List

### Professional Achievements/Honor and Awards

- Recipient of the John Phillip Sousa Award 2021
- AFM Outstanding Soloist Award 2019, Most Outstanding Musician AFM 2020
- Wheaton College Music Department Grammy 2019

### Private Instructors

- George F. Handel 2019 – Present, Counterpoint Conservatory
- Joe Haydn 2010 – 2018, Classical Studios

## EXPERIENCE

---

### Resident Advisor

August 2021 – Present

Wheaton College Residence Life, Wheaton, IL

- Perform administrative leadership for 40 male undergraduate college students which involves organizing and facilitating meetings to unify and maintain floor order
- Develop and maintain a budget of \$3000 to create eight fun and engaging events for the floor residents to foster community and camaraderie among the floor throughout the academic year
- Collaborated as an active team member of 13-member Residence Life staff and teamed with maintenance staff to provide safe environment for residents

### Desk Attendant

January 2021 – May 2021

Wheaton College, Wheaton, IL

- Monitored the lobby of a freshman and sophomore dorm to make sure students were following building guidelines and acting appropriately in common areas
- Checked the laundry room at the end of the night and bagged any forgotten laundry to maintain a clean, well-kept laundry room for approximately 500 undergraduate students
- Answered basic questions about the building and checked out games to students who wished to play

### Flute Tutor

November 2019 – March 2020

Franklin Middle School, Wheaton, IL

- Assist five middle school students with learning flute technique and sight-reading skills
- Taught students advanced techniques which led to them securing top chairs in their wind ensemble

## PERFORMANCE EXPERIENCE

---

### Solo Performances

- Boston POPs Orchestra 2021
- Boston Chamber Orchestra 2021
- Boston Community Concert Association 2016 – 2020
- Concord Deepwood Manor Events and Fundraisers 2017 – 2018

### Orchestral and Band Performances

- Flute/Principal Flute, Massachusetts Wind Ensemble 2019 – Present
- Flute/Piccolo, Wheaton College Symphony Orchestra 2019 – Present
- Flute/Piccolo, Peace Quartet 2018 – Present

## ADDITIONAL SKILLS

---

- Multicultural Experience from trips to Chile, Brazil, and Guatemala
- Conversational in Spanish

# Bill E. Graham

bill.graham@my.wheaton.edu | 041.300.2021 | linkedin.com/in/billgraham

## EDUCATION

---

### B.A. in Biblical and Theological Studies, Minor in French

Anticipated May 2022

Wheaton College, Wheaton, IL

- GPA: 3.67/4.00
- Dean's List

### Study Abroad

Summer 2019

Wheaton in the Holy Lands, Israel, Greece, Italy

- Related Coursework: Historical Geography, New Testament

## EXPERIENCE

---

### Resident Assistant

August 2020 – Present

Wheaton College Residence Life, Wheaton, IL

- Provided conflict mediation, policy enforcement, and emergency management for 52 students
- Fostered community and personal growth through individual meetings and weekly fellowship
- Budgeted floor funds to maximize programming and enrichment opportunities
- Assisted in selection, evaluation, and training of incoming resident assistants

### Teaching Assistant

August 2020 – Present

Bible and Theology Department, Wheaton College, Wheaton, IL

- Grade exams and homework assignments for over 80 students in New Testament courses to provide students with personalized feedback and reduce the workload of the professor
- Input grades on online course page, Schoology, to notify students of their performance in the course

### Copywriting Intern

May 2020 – July 2020

Wheaton College Center for Vocation and Career, Remote

- Participated in college-sponsored skill development program with 10 other interns to develop stories for Wheaton College website to engage prospective students and encourage them to attend Wheaton
- Wrote 12 project stories for My Journey prompts to spark imagination of prospective students and helped them feel comfortable at each stage of their college exploration

### Museum Curator Intern

May 2019 – July 2019

Museum of the Bible, Washington, DC

- Catalogued over 400 acquisitions to create an organized account of the museum's artifacts
- Collaborated with a curator to develop a polished and engaging forthcoming exhibit
- Led tours twice a week which served over 4,000 patrons and helped them engage with the museum

### Desk Attendant

August 2018 – May 2019

Wheaton College, Wheaton, IL

- Monitored lobby and common areas of an underclass dorm to encourage community and cleanliness
- Supervised laundry room to ensure that washers and dryers were working and clean for student use

## ADDITIONAL SKILLS

---

- Conversational in French
- Proficient in Adobe Photoshop

arthur.ployed@my.wheaton.edu | 000.111.2222 | linkedin.com/in/arthurployed

## EDUCATION

---

### B.A. in Art History

Anticipated May 2023

Wheaton College, Wheaton, IL

- GPA: 3.43/4.00

### Study Abroad

August 2021 – December 2021

Italian Art in Context Program, Florence, Italy

- Related Coursework: Byzantine Art, Renaissance Art, Italian Architecture I, Intermediate Painting

## INDIVIDUAL EXHIBITIONS

---

- “The Commute,” *DuSable Museum*, Chicago, IL August 2021
- Sophomore Art Show, Adams Gallery, *Wheaton College*, Wheaton, IL May 2021
- “The Ancestors,” *Central DuPage Hospital*, Wheaton, IL November 2021 – December 2021
- Student Juried Show, “Keys”, *Wheaton College*, Wheaton, IL March 2020

## RELATED EXPERIENCE

---

### Creative Intern

May 2021 – August 2021

*Metropolitan Museum of Art*, New York, NY

- Develop proposal and organized completion of new Art Cart for museum’s ancient Greek and Roman galleries which allowed museum patrons to engage with the galleries at a deeper level
- Collaborate with another intern on the development of the Art Cart which developed strong interpersonal skills
- Review existing program material and developed new resources for the “Art in in the Greco-Roman World” brochure for patrons to read while exploring the galleries
- Apply working knowledge of art history to current museum opportunities to help resolve minor daily issues

### Museum Operations Intern

August 2020 – December 2020

*Children’s Museum*, Naperville, IL

- Greeted parents and children and guided them to desired play areas
- Researched and compiled a report on museum’s accessibility for visitors with disabilities
- Assisted with development of visitor assessment surveys that were successfully implemented
- Contributed to establishment of age specific, half hour programs in art education

### Museum Tour Guide

May 2020 – July 2020

*Museum of Fine Arts, Boston*, Remote

- Collaborated with ten other interns to develop a comprehensive virtual museum tour which engaged over 5,000 patrons virtually during the COVID-19 pandemic
- Scripted approximately fifty “Museum Talks” that explained different pieces of art which allowed patrons to learn about art pieces at a deeper level from their homes
- Completed GalleryWorks Management Software course to gain greater knowledge of museum work

## COMMUNITY INVOLVEMENT

---

- **Chairperson**, *Arts, Wheaton College* January 2021 – Present
- **Volunteer**, *DuPage Museum of African-American History* August 2020 – Present

## ADDITIONAL SKILLS

---
