

Intro Camp Program Overview

Spiritual Theme:

Hello, parents! We were so excited to have your campers in Intro Camp this summer and would love to share with you a bit of the content that they learned at camp this year.

The way that the day is structured at HoneyRock, we do a majority of our spiritual programming in the morning and the first thing they do after breakfast is Morning Watch. *Morning Watch* is time for your children to read the Bible. This year, we explored the theme of God as our shepherd through the story of the Exodus. After Morning Watch is a time of interactive small group learning called *Cabin Impact*. At *Cabin Impact*, dug into the richness of God's word by leading campers into concrete interactions with the text such as skits, games, or art, also based on how we see the Good Shepherd in Exodus. Finally, we rounded out the morning by responding in worship at *Camper Worship*. *Camper Worship* is a unique high-energy worship style designed to draw campers in to the joy Christ offers us.

Key Programmatic Highlights:

The Skit: A camper favorite, this year the skit is based on Exodus and features our heros/heroines being saved from an evil alien overlord by their strong and mighty leader!

Fest: is a time of water games and fun in the sun where campers get to let loose and celebrate the great gifts God has given us- like slip 'n slides!

Glow Stick Camper Worship: A huge part of Intro Camp is responding to God in worship. During Glow Stick Camper Worship, we take time to see Christ as the light of the world and celebrate our redemption from darkness!

Trip Details:

In Intro Camp, wilderness experiences are all about helping campers get their feet wet in the outdoors. In order to facilitate a positive first experience at camp in the wilderness, we have our Intro campers go on a *Moonlight Adventure*. While not actually taking place at night, these events are designed to be a fun and educative wilderness experience. For one evening, campers get to cook food over a fire, build stick forts, sing camp songs, and watch the sun set together before returning to their cabins for a good night's rest.
