

Camper Info Packet for Advance Camp

HELLO FROM HONEYROCK!

We're excited to have your student join us for Advance Camp this summer! Advance camp is a rite of passage program specifically designed to help campers prepare for the exciting and important transition from middle school to high school. In Advance Camp, the wilderness trips get a little bit longer, the service opportunities are a little more prevalent, the conversations get a little bit deeper. Advance camp provides an opportunity to wrestle with foundational faith questions and provides challenging experiences that will ultimately encourage students as they "advance" to make following Christ the foundation of their lives. Through this packet, we're going to walk you through important information. **Please read it carefully!**

PREPARING FOR SUMMER CAMP

Advance Camp is an incredible opportunity to build confidence, grow deeper in faith, and prepare for the transition to high school. Below, we've listed three ways to get the most out of this experience:

- Pray with your camper about their camp experience including their unit leaders, cabin leaders, and fellow campers.
- Talk about and set goals for your time at camp.
- Come to Family Day at the end of your camper's program. This allows you to see firsthand what your child experienced. You'll also get one-on-one time with your camper's cabin leader to talk about their experience.

This is the basic schedule for Advance Camp.

Meals: We eat family style! Campers enter the Dining Hall as a cabin and sit around a table with their cabin.

Solid Rock: Solid Rock is an optional opportunity where campers are invited to dive into different disciplines such as contemplative prayer, memorizing scripture, serving around camp, and the Sunday fun run!

Cabin Impact: Cabin leaders prepare interactive lessons that engage with Scripture and discuss how we live our faith in today's culture.

Morning Watch: All campers take a few minutes of alone time to read Scripture, pray, and reflect.

Activities: From drama to waterskiing and archery to crafts and more, we offer a wide variety of activities to serve campers with a variety of interests.

Wilderness Immersion: There's no wilderness experience necessary! The trips may stretch campers out of their comfort zone, but they create fantastic memories and helps us focus our hearts and minds on exploring big questions. It also facilitates awesome encounters with God through his creation.

Three Week Session: Campers go on a four-night wilderness campout during the first week of their session.

Two Week Session: Campers go on a three-night wilderness campout at the start of their session.

PACKING FOR CAMP

Prescription Medications

All medications must be given to the camp nurse at Check In. They will be distributed during the session only by our Health Center Staff. Please do not send non-prescription medications (e.g. Advil) and herbal supplements with your camper.

- Includes special instructions, if applicable

FROM THE HONEYROCK HEALTH CENTER

On behalf of the HoneyRock Health Center, hello! My name is Sara Waltz, and I am the Health Services Supervisor. I have been a nurse for over twenty years and have three children of my own. I first came to HoneyRock as a parent to drop off our oldest at Intro Camp. All I could think about was "is she even old enough to be here?!" Now, all of my kids can't wait to attend each summer.

One of the biggest questions we receive concerns homesickness - know that we treat it just as we would a scraped knee - with understanding, compassion, and support.

Our Health Center is staffed by a volunteer doctor, two summer nurses, a weekly volunteer nurse, two nurses' aides, and myself. We have clinic hours Monday through Friday in both the morning and afternoon. On Saturday

and Sunday, we continue to see campers on an as-needed basis.

Rest assured that your campers are well cared for by our team, many of whom have (or had!) campers at HoneyRock.

FAMILY DAY AT HONEYROCK

Family Day allows you to step into your camper's shoes and get a taste of his or her experience. You can expect to participate in many activities, meet with your camper's counselor(s), share a picnic lunch on the front lawn, and more!

While there is no charge for participation, you must register your family to attend. Parents are invited to arrive as early as 8:30 am on their family day. You can expect to give your campers a big hug around 9am.

To register for Family Day, please first visit our Family Day webpage for details and instructions on how to register your family.

NOTE:

- For 12-Day Res Camp, Advance Camp, 2:22, and Voyageur, **Family Day is on the last Friday of the session.**
- For 6-Day Intro-Res Camp, Catalyst 1, and Catalyst 2, their **Family Day on the final Saturday.**

Family Day Expectations

- Leave pets at home
- Keep your cell phone in your car

What to Wear on Family Day

Check the forecast—you'll be outside all day. Wear casual, comfortable clothes that layer well. Mornings can be chilly!

Our swim area will be open weather permitting - so bring a swimsuit and towel if you'd like to swim.

Lodging

Hotels in our area quickly fill every summer. We recommend making your reservations early. HoneyRock does have accommodations, but they are very limited and require a 2-night minimum stay.

Inquire by calling our receptionist for information and housing availability.

Below, we have a few nearby accommodations – we suggest visiting [yelp.com](https://www.yelp.com) to get the most up-to-date reviews on accommodation quality.

LETTERS, BUNK NOTES, AND PHOTOS

While on Trip

The following services (delivering mail, capturing photos) are not provided while your camper is on their wilderness immersion experience (campouts, trips).

Sending Letters and Packages

We love when parents send postcards, letters, or packages with fun decorations or small games.

Do not include food if your camper is in a program that is two weeks or less. Any food, even in sealed packages, invites animals into cabins and could also create risks for cabin mates with allergies.

Never send money. If your camper needs money, please add funds to their Beehive account through their registration in your HoneyRock account.

Camper Name / Session / Cabin Number
8660 Honey Rock Road Three Lakes, WI 54562

Bunk1 Notes

Bunk Notes are the fastest and easiest way for you to send a letter to your camper. Families can send their camper letters customized with photos, fun borders, and puzzles through their Bunk Notes account!

After you send your Note, we receive it at HoneyRock and print it at 8 am. The letters are then delivered to your camper's cabin's mailbox and distributed along with traditional mail within 24-36 hours.

Bunk1 Photos

You'll see the first photo of your camper, along with their cabin, on their arrival day. Our summer media team loves capturing the camper experience through photos! While we try to capture a photo of every camper throughout their time at HoneyRock, we're not always able to do so.

THE BEEHIVE

The Beehive is our onsite store. Campers can purchase snacks, beverages, clothing, souvenirs, basic toiletries, postcards, stamps, and more!

While we do offer sweet treats, there are healthy options available including trail mix, granola bars, and sparkling water.

If you have expectations for how the money is or is not to be spent, please have the conversation before camp. This is a great opportunity to grow responsibility in your camper!

Setting Up Your Camper's Beehive Account

For campers, all sales in store are on an account-only basis (no cash). These accounts should be set up prior to your camper's session as you register online. You may add to this account at any time through your camper's itinerary. We recommend \$30 for each week your camper attends camp with a \$10 minimum.

Unspent Beehive Account Funds

At the end of each session, campers have the opportunity to donate funds from their Beehive account to our camper scholarship fund. Remaining balances of \$10 or more will be refunded in September to parents who did not pre-select to have remaining funds donated to our Camper Scholarship Fund.

Did you know HoneyRock has an online popup shop? Visit our online Beehive Store to have HoneyRock gear and merchandise sent directly to your home!

TRANSPORTATION

May 15th is the Transportation deadline. We need to know how your camper is getting to and from camp by this date, otherwise we cannot guarantee a spot on a bus or airport shuttle.

As a part of the registration process, **you will need to choose transportation options both to and from camp for each child, even if you plan to attend Family Day.** This includes parents who are bringing their camper by car! Please be sure to talk with your camper about how they are getting home so that they are not surprised on departure day!

By Family Car

Arriving by Family Car – 1:30 – 3:30 pm*

If you are driving your camper directly to HoneyRock, please plan to arrive between 1:30 and 3:30pm for check-in on the day the camp session begins. Upon arrival our staff will direct you to the check-in area.

*Catalyst 2 arrival is between 2:00pm – 4:00pm.

Departing by Family Car

If you are picking up your child from camp on Family Day of the session, parents are invited to arrive as early as 8:30 am on their family day. You can expect to give your campers a big hug around 9am.

A parent or legal guardian will need to sign your camper out with their counselor before departing. If someone other than the parent or legal guardian is picking up your camper, please complete the **Transportation Authorization Form** in your camper's registration.

By Airplane

The shuttle fee for RHI is \$75 or CWA is \$150 each way. Once your reservation is made, please email the cell phone numbers of both you and your camper to the Registration Coordinator. In turn, we will email our shuttle driver's contact information to share with both the airline and your camper.

If your child is flying to camp, we ask that they fly into to Rhinelander Oneida County Airport (RHI – preferred) or Central Wisconsin Airport (CWA) in Mosinee, WI.

HoneyRock is not responsible for the cost of extra luggage or any unaccompanied minor fees.

Arriving by Airplane

Please arrange arrival for the day your camper's session begins:

- CWA between 6am and 3pm
- RHI between 6am and 3pm

If these times are impossible to arrange, please call or email Registration *before* making your reservation to discuss options. We cannot guarantee airport shuttle service outside of this window of time.

Departing by Airplane

Arrange departure from CWA or RHI between 10:00am and 4:00pm on the day the camp session ends.

If these times are impossible to arrange, please call or email Registration *before* making your reservation to discuss options. We cannot guarantee airport shuttle service outside of this window of time.

Money for Departing Air Travel

If you send travel money with your child, please seal it in an envelope with his/her name and amount and pack it in a location known to your camper. Our staff will secure this money while your child is at HoneyRock and will return it at the end of the session. We are unable to withdraw money from the Beehive for travel home.

By HoneyRock Bus

This is our most used transportation option! Coach buses have a bathroom and comfortable seating. We also provide age-appropriate movies and teach your campers some of our favorite camp songs. There is at least one HoneyRock staff member on each bus to monitor campers and ensure their wellbeing. We make a lunch stop at a rest area near Madison for campers to stretch their legs and eat a provided lunch.

Transportation to HoneyRock on the HoneyRock Bus is available for a \$95 fee.

Return transportation to Madison, and Wheaton stops is available for a \$95 fee. Please note that depending on numbers we may send a smaller van, driven by trained and certified HoneyRock staff.

In early June, we will share our detailed drop-off and pick-up plan for parents who are dropping their camper off at the bus.

Please see the grid at the end of this packet for the bus schedule.

Bus Travel Reminders

Snacks. Nut-free snacks and water are permitted on the bus. Due to a number of campers with serious nut allergies, we ask you do not send snacks that contain nuts. To help keep the busses clean, do not send gum, juice, soda, milk, or other types of liquids.

Electronic Devices. Do not send your child on the bus with a cell phone, iPod, or similar electronic device or game. These items are not permitted at HoneyRock; we are not responsible for loss or damage.

If a camper is getting a ride home from the HoneyRock or the bus drop off with anyone other than their parent or legal guardian, we must have a completed copy of the Transportation Authorization Form. You can find this in your camper's registration form in your HoneyRock account.
